OUR THEME

In all the confusion of these busy days the common complaint is the shortage of time. So much could be gained if we would only take time to laugh, to work, to play, to give of ourselves to others—take time really to enjoy life. Hence, the CREST staff presents the anonymous poem "Take Time" as its theme, using from it lines to introduce each section of the book. Won't you take time now to read and enjoy this 1958 annual?

A man to remember . . .

. . . because, as a coach and teacher, he has been a true father and friend to so many.

. . . because of his fine Christian character and genuine interest in each student.

. . . because, we, the students, love and respect him.

With great pride and appreciation for everything he has done for us, the CREST staff and Senior Class TAKE TIME to dedicate the 1958 CREST to **MR. JIMMIE BRYAN**

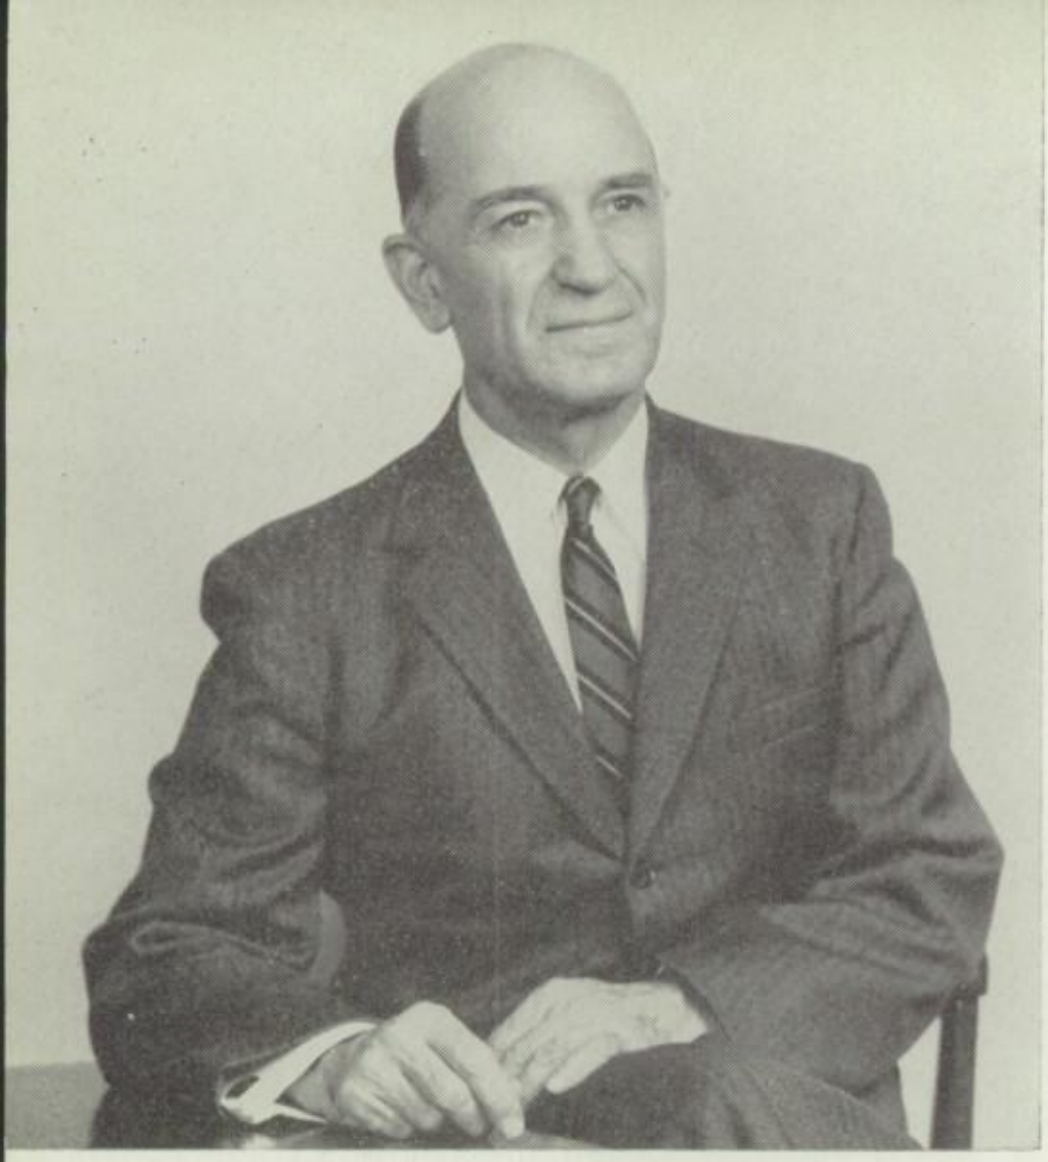
FACULTY



Mr. L. H. McCue, Jr.

Principal

The rare ability of controlling a school of over 2,000 students is given to few people. Our principal, Mr. L. H. McCue, Jr., we think, possesses this quality to an unusual degree. We students wonder how he can show a personal interest in each of us, how he can know what is happening in every school activity, and how he can keep his finger on the scholastic pulse of the school.

Mr. McCue's friendliness, warm manner, and sincerity call forth the highest respect of everyone at Glass.

Mrs. Pauline F. Stall

Mrs. Stall, assistant principal, devotes most of her time to helping upperclassmen make their decisions concerning college and careers. In addition, she supervises the PTA Guidance Night and directs College Boards and SQT Tests. Many students are enabled to further their education due to her expert counseling about available scholarships. She considers aiding these young people in their future plans the most satisfying part of her work.

Miss Margaret Armstrong

Miss Armstrong is officially listed as assistant principal; but to this can be added the duties of checking attendance, counseling, arranging schedules, supervising the infirmary, and of guiding the 8th grade in their choice of occupations. Miss Armstrong says that the favorite phase of her work is helping new students to become adjusted to their life at Glass. The underclassmen particularly benefit from her consideration and advice.

Mr. J. Winston Milam

Mr. Milam, as Dean of Boys, carries the burden of the disciplinary problems at Glass. This year loitering in the halls and detention hall attendance have both been greatly reduced due to his efforts. Yet it is not Mr. Milam's job as Dean of Boys, but that as Civics teacher that gives him the most pleasure. The students all know that he gets great pleasure out of a good joke, too, told either by him or about him.

NATIONAL HONOR SOCIETY

Being elected into the National Honor Society is perhaps the high spot in the life of a senior. From the beginning of the Freshman year the ambitious student keeps this goal as his ideal.

The members are selected on the basis of four points: character, scholarship, leadership and service.

On March 27, 1958, forty-five Seniors were installed into the National Honor Society. Members of last year's society discussed the four standards of selection. Dean John Turner of Lynchburg College spoke on the subject Noblesse Oblige.

The National Honor Society pledge repeated by each member initiated is: "I pledge myself to uphold the high purpose of this society to which I have been elected. Striving in every way, by work and deed, to make its ideals the ideals of my school and of my life."

The National Honor Society is the highest honor that can be obtained by any high school student and its ideals are the finest for which any individual can strive.

The following students were elected the Society's officers: John Mott Robertson, President; Jane Baber, Vice-President; Betsy Tweedy, Secretary; Bill Chambers, Treasurer; and Vicky Allen, Historian.

SENIOR COUNCIL

Summer vacation having ended, the Seniors of 1958 returned to Glass bound and determined to be the best class that this school has ever produced. They could well be proud because they are the first class to complete five years in the new high school.

In the fall each senior homeroom elected representatives to the Senior Council, which began collecting the senior budget, planning for Senior Day and ordering personalized cards.

On November eighth the long awaited Senior Day arrived. The event was highlighted by an excellent assembly and the usual antics of the joyous seniors. Although the parade and game were rained out, the spirit of the day was not affected.

After midyear the council began planning the senior banquet and dance, and from all the remarks, it was a wonderful addition to the senior year.

The council was faced with the usual tasks that must precede the final days at Glass: measuring for caps and gowns, ordering of commencement announcements, planning commencement exercises and dance, and deciding upon the Senior Class gift to the school.

The class of '58 has many assets about which they can boast. Approximately one hundred students (which is one third of the class) have averages over ninety. For this accomplishment and many other awards and honors presented its members, the Senior class, can be proud.

Many unforgettable times were shared by the Seniors, but the accomplishments could never have been possible without the guidance given by the sponsors—Miss Mary Ware and Mr. Thomas Johnson.

Back Row: R. Wood, H. Green, W. Cooke, J. Candler, T. Hapg ood, J. M. Robertson, B. Chambers.
Second Row: T. Hudson, E. Overstreet, V. Allen, H. C. Thaxton, J. Duke, B. Tweedy, J. Baber.
First Row: C. Knight, B. Harris, L. Brooks.

BOYS' AND GIRLS' STATE

Early Sunday morning, July 14, 1957, an excited group of Glass students left for a week at Boys' and Girls' State at V.P.I., Blacksburg, Virginia. These students had been chosen at the end of their Junior Year to participate in this governmental program with students from every high school in Virginia, who were also elected for their outstanding qualities.

The jam-packed week was one never to be forgotten and was considered by everyone to be one of the most wonderful experiences of his life. To these delegates, up at break-of-dawn, exercise for the boys, inspection, chapel assembly, city sessions, State politics, elections, athletics and recreation, the Governor's Ball, and Burrus Hall assemblies at night were familiar events.

"We're from Draper, mighty mighty Draper . . .", "Go to your left, your right, your left . . .," "S-T-U-A-R-T," and the many other chants helped to build the State's proud spirit into a bond, uniting all who participated.

Every boy and girl who attends this American Legion sponsored project holds an office which can be anything from Governor to the City jailer! The E. C. Glass delegation was particularly proud to have two of their group win outstanding positions. Out of 500 boys, John Mott Robertson was elected Lt. Governor, the second highest office in Boys' State. Janet Duke was chosen by the girls in her city to be Mayor, the top city office; and in return, she led Draper City to the coveted honor of being chosen Model City of Girls' State.

Other Glass students who won significant offices are: Leyburn Mosby, Assistant Justice of the Supreme Court and Clerk of the House of Delegates; Wylie Cooke, Commonwealth's Attorney; Tim Hapgood and H. C. Thaxton, Delegates to the House of Delegates; Barbara Harris, Clerk of the Senate; Betsy Tweedy, Senator; and Jane Baber, Floor Leader of the House of Delegates.

THE JUNIOR CLASS

With a blast of supersonic speed and efficiency the '57-'58 model of the Junior Class took off on its trip that would take it through another year at E. C. Glass. Stationed in the cockpit were the pilot and co-pilot, Brantley Sydnor and Kay Younger; Navigator, Mrs. Katherine White; Class Secretary, Pat O'Brian; and official ticket (dues) collector, Billy Futrell. The three main goals that lay ahead of the Junior Class were Senior Day, the Junior-Senior Ring Dance, and high school rings.

The first meeting of the class council was held on October 2nd to plan the course the class would follow.

Senior Day was a delightful success though the after school events were ill-fated. Juniors shared the Seniors' disappointment, for they had put forth extra effort in making and designing floats for the parade.

With hope that history will not repeat itself, Juniors look forward to their own Senior Day.

The responsibility of planning the Ring Dance proved to be a real task, but under the supervision of the Council and Mrs. White, each problem was met and solved. The selection of a band and the decorations for the dance were the result of much debate and hard work. Juniors will always cherish their memories of that dance as it was the occasion when they received high school rings.

Yes, the Junior Class has shown itself to be a capable class and one able to enjoy all the aspects of school life. Its members look forward to next fall with the hope of an even more prosperous year. They were Juniors this year but they are Seniors next!

THE SOPHOMORE CLASS

Here's to a class that's got what it takes! Lend an ear while we tell of their deeds:

At class council meetings made up of homeroom representatives and class officers, and presided over by top man, Bud Allen, plans for many and various Sophomore activities were laid. Under the guidance of Mrs. Doreen Franklin, these students worked extremely hard and accomplished much.

For one of their first activities, they set their creative minds to work and planned an original float for the Senior Day Parade. Great the disappointment when, after much toil had been put on the float by interested class members, the parade was called off.

As always, the main class problem was collection of dues. However, the treasurer was able to collect a large percentage, and, looking toward the future, decided to save them until next year to ease the heavy expense of the Ring Dance. This year's class has more than its share of outstanding students: many have excelled in scholarship, and the fine record of the J. V. football team illustrates these students' interest and ability in athletics.

At the close of a wonderful year, the Sophomores are looking forward to their next two years at Glass with the same enthusiasm with which they entered this one. If they continue to show the willingness to work and interest in school activities already exhibited, it is certain that their careers in high school will be noteworthy ones in the history of Glass.

THE FRESHMAN CLASS

The Freshman Class has started its high school career with a due amount of pep and enthusiasm. The second largest class in the school, the ninth grade has participated generously in the life at Glass. Several of its members are officers of activities within the school. The president and secretary of the Junior Student Council are from the Freshman Class: Linda Webb and Jane Smith. Linda Ballard is treasurer of the Girls' Athletic Association and a member of the Junior Varsity Cheerleading squad. Henrietta Gilliam also cheers the junior varsity team to victory.

At an exclusive freshman meeting in the fall candidates for office were nominated. After a week of campaigning the officers were elected.

The results were the following: President—Shearer Ebert; Vice-President—Linda Kay Hudson; Secretary—Rita Bennett; and Treasurer—Charles Reid. Under the supervision of Miss Shirley McIvor these freshmen contributed five dollars to the WLVA Christmas Party, and attended a home basketball game as a body.

The feelings of the class may be summed up in the words of the president: "Our goal is to do well academically and to participate in the extra-curricular activities."

THE EIGHTH GRADE

At the beginning of the school year, the upperclassmen began to notice new faces at Glass. Everywhere they looked there were bewildered little eighth grade faces searching corridor directions or fiddling furiously with stubborn lockers. It didn't take long for the plucky class to remedy this situation. After a few days of tardiness to classes and going hungry at lunchtime because of reluctance to maneuver into the dangerous looking lines, the amateur high schoolers became professionals. The high ranking elders who had dubbed them "rats" and smiled at their uncertainty, soon had those smiles wiped off their faces as the baby class set out to prove itself.

Its year began with a council meeting consisting of the newly-elected homeroom representatives and its sponsor, Miss Gladys Canada. At this meeting candidates were nominated for class officers. Not to be outdone in any field, the class proceeded to campaign for these candidates as vigorously as the whole school did for the officers of the S. C. A. When final ballots were counted, the following officers had been elected: Joyce Thompson, president; Bobby Brickhouse, vice-president; Judy Bing, secretary; and Ray Hogan, treasurer.

The treasurer, with an eye for business, promptly began collecting ten cents membership dues for future use.

Always participating enthusiastically in whatever activity the school was engaged, the eighth grade added much to the spirit in which the activity was done; their voices lustily encouraged the team to victory and proudly sang the alma mater. All in all, the youngest, but largest, class had a most active and interesting year.

Activities

K. White, W. Cooke, C. Knight, and B. Chambers read the plans for the Mr. Football Hop.

SENIOR STUDENT COUNCIL

To give service to the school is one of the aims of the Senior Student Council, and it has truly fulfilled its purpose throughout this, its best year ever. Under its competent officers and co-sponsors, Mr. Ramsey and Mr. Mumper, the council has undertaken numerous projects and given long hours and hard work to them all.

Much of this work is done through committees. The Social Committee takes charge of the decorating and planning of all social functions. The Citizen of the Month Committee selects a deserving student each month and engraves their name on the plaque in the front hall. The Goalpost Committee decorates the goalposts at the City Stadium for all home football games.

The new students are welcomed in September by the Orientation Committee, who also publish a small handbook for them. At the Projects Committee's recommendation, the council planted $500 worth of shrubbery around the school. Each year they contribute to and help collect for the WLVA Christmas Party and sell programs at the football games. The hall and cafeteria monitors prevent running and breaking in line at lunch time.

JUNIOR STUDENT COUNCIL

The Junior Student Council, aided by their capable adviser, Miss Kathleen Pribble, and led by their competent officers, has done its utmost to carry out its purpose—service to our school and to our community.

Over a period of two years, the Junior Student Council has tried to have everyone in the eighth and ninth grade vaccinated with the Salk vaccine, and they have almost reached their goal.

In November when Glass was host for the District S. C. A. Meeting, the Council had charge of the groups from elementary schools when Greg Robertson and Jenny Tweedy led discussion groups. In the spring Bobby Mosely, Bill Dixon, and Jane Smith attended the state meeting in Radford.

In April these junior lawmakers held an Easter Lily Sale for the benefit of the Virginia Society of Crippled Children and realized a good profit.

These accomplishments all go to show that the Junior Student Council has done an outstanding job this year and should be very proud of the record they have established.

HONOR LEAGUE

C. Snow, K. Hansen, V. Allen, H. Green, N. Turner, B. Quillian, B. Staton, J. Walker, R. Arthur.

The Honor League has been outstanding this year in its efforts to discourage dishonesty and to promote high standards and ideals among the students of E. C. Glass. The Executive Council, composed of the officers and one representative from each of the five classes, has attained many of the unreached goals of past years.

In the fall a panel discussion dealing with honor in every phase of school and community life provided an interesting Honor League Assembly. The council then made visits to the eighth grade homerooms to explain the functions of the Honor League, to give Honor League rules for taking exams and to show the value of honor in later years.

Colorful posters with catchy honor slogans were placed around the school. All Honor League trial proceedings were posted also.

The Executive Council worked with the general council, which is composed of one representative from all homerooms, in an attempt to have all pupils sign the pledge and become aware of the work and spirit of the Honor League.

QUILL AND SCROLL

One of the oldest and most respected organizations at school, the Carter Glass Chapter of the Quill and Scroll Society, has accomplished much this year. At the beginning of school it had only three members but by the end of the year this number had increased to twenty-one. The members of the Society are juniors or seniors in the upper third of their class who have fulfilled certain journalistic requirements in working on the CREST, the *Critic*, or the *High Times*. They also must be recommended by their adviser and approved by the executive secretary.

The project of the organization for this year was to compile an anthology which was dedicated to Miss Evelina O. Wiggins. The book contained 100 poems selected by a committee of two members from each publication staff. This committee chose the poems to be used from *Critics* which were published between the years 1902 and 1957. As usual, Miss Ruth Blunt, the adviser, held up the highest standards for the club.

C. Knight, J. Duke, A. Farrar, and J. Baber agree that good publications are an asset to a school.

THE CREST

"This material must get to the printer on time." This is the plea heard often in room 106 sixth period. But what are they talking about? Yes, you guessed it. These students compose the CREST staff and they are working with their adviser, Miss Lucile Cox, to produce the CREST, the E. C. Glass yearbook.

The staff begin their work by thinking of an interesting theme for the annual and deciding to whom the annual will be dedicated. Next, the blueprint of the CREST, called the dummy, is formed.

With these accomplishments the work of the staff springs into action. Pictures are scheduled, approved, and taken; and deadlines for each section of the annual are set.

The hardest tasks are the write-ups which must be well expressed, must be restricted to a certain number of words and must be interesting and informative. These write-ups are read, corrected, typed, and proofread.

Each spring at the Southern Inter-Scholastic Press Association convention the CREST is criticized and given a rating. New ideas are brought back by the delegates to the staff so that the CREST in future years can be improved and given the best chance for a superior rating.

THE HIGH TIMES

When Thursday rolls around, Glass students eagerly await the arrival of the *High Times,* but how many of them realize the "blood, sweat, and tears" that go into turning out a single issue! There are stories to write, galleys to proof, "dummies" to make, ads to sell—a million and one things to do.

The editors, the reporters, proofreaders, columnists, photographers, advertising department, typists, cartoonists, and Miss Cunningham's journalism class all collaborate to put out the weekly publication.

Led this year by co-editors Anne Farrar and Nancy Bond, the *High Times* has rounded out another successful season.

This fall, as in many previous years, the *High Times* received a Quill and Scroll international first place award for a high school newspaper.

Founded in 1921, the *High Times* has won a place in the hearts of everyone. The alumni find that they can recall the highlights of their high school days by pulling out old copies, and newcomers find endless pleasure in reading "hot" news about themselves and their friends.

THE CRITIC

Editor-in-Chief
Janet Duke

In the highest room in Glass, 301, the *Critic* is assembled. There an enthusiastic staff works daily to please the students with their tri-annual magazine.

Many phases of work are necessary, the primary function of the staff being to read and select material sent in by the students. The staff includes the editor-in-chief, who is assisted by the literary editor and the editor of departments, the circulation manager, who is very valuable when the magazines are distributed, and the co-art editors, who are responsible for meeting each deadline with the spicy drawings which flavor this literary publication. The literary adviser, Miss Ruth Blunt, keeps the staff on an even tenor.

The *Critic* has established an excellent reputation. Every year a copy is sent to the Southern Interscholastic Press Association, the Columbia Scholastic Press Association, at Columbia University, the National Scholastic Press Association at University of Minnesota, and the Virginia Literary League at University of Virginia to be judged and it has consistently won top honors.

THE GLASS EYE

"Keep an eye on Glass High." Everyone knows that this is the slogan for the liveliest thing at school, *The Glass Eye*.

This newspaper is a four page mimeographed weekly for eighth and ninth graders. They work under the direction of Miss Evelyn Allen and Mr. Charles Brown and produce a paper containing news, original articles, drawings and cartoons, some quotes, and gossip. All of these are intended to contribute to school spirit, to give information, and to offer an opportunity for self expression.

Each issue of this junior E. C. Glass newspaper with its attractive art work, its editorials, and many of its articles centered around an appropriate seasonal theme, is worth keeping permanently.

Working on the *Glass Eye* has proved to be a stepping stone for many of the staff to bigger and better things. Many upperclassmen with high positions on the older publications are *Glass Eye* alumni, who will be forever grateful for their first real experiences in journalism gained on the *Glass Eye* staff.

LITERARY SOCIETY

The Literary Society is composed of students who have an active interest in creative writing. Their aim is to promote this interest and improve their writing ability. The society encourages these ambitious authors to compose and publish their works. To meetings, held the second Thursday of every month at 7:30 with different members, each person brings original manuscripts for discussion and criticism. This year the writing of short stories and poems has been stressed. The members "create" for pleasure, and often their creations are published in the *Critic*. In the first issue were "Decision for Tomorrow" by Carolyn Naff and "On Left-Handedness" by Betty Libby. In the second issue were "The Lesson" by Sarah Hickson, "Tri-Hi-Y" by Sue Gardner, and "Passing By" by Sally Flanik.

As its yearly project, the club donates a book to the library, the most recent gift being INVITATIONS TO POETRY. Although the Literary Society is only four years old, it has gained the respect of our faculty and students. The organization is sponsored by Miss Mary Spotswood Payne, head of the English department.

FORENSIC CLUB

To create poise, confidence and self-assurance in its members is the purpose of the Forensic Club. This organization is composed of four divisions. They are with their sponsors: Public Speaking, Miss Helen Brown; Spelling, Mrs. Fred Knipp; Reading, Miss Marie Conson; and debating, Mr. James Mumper.

Each year the club sponsors students from the school to represent the respective divisions of Glass in the activities of the district meetings.

Betty Cooper, Barbara Arthur, and Bill Loyd represented the Reading Division in the district forensic meet at Danville. Kenneth White and Betty McLennan went for the Public Speaking Division and Bettye Thomas was the school's top speller. The debating team was composed of six members: Eleanor Hovda, Judy Hardesty, Carlton Snow, Bill Young, Don Lloyd, and Ted Foster. The two girls were responsible for composing the rebuttle files for the debates and acting as alternates in the absence of one of the boys. The subject for debate this year was: Resolved: "That United States foreign aid should be substantially increased."

The debating team discusses the pros and cons of foreign aid.

ASSEMBLY COMMITTEE

Miss Conson, A. Chambers, J. Hardesty, and B. Harris plan the assembly schedule.

All of E. C. Glass becomes one huge family as the halls swarm with people heading for the auditorium where the efforts of the Assembly Committee materialize.

Miss Marie Conson, sponsor, is the real spark plug in the committee's spirit.

In the fall the Honor League Assembly set us off on a good start for the year. Later Mrs. Pemberton and the Choir led us in a sing which perked up everyone for the whole day.

The beautiful Christmas Pageant represented the highest quality in music, in Biblical reading, and in the portrayal of the characters in the nativity scene.

To start off the New Year, Mr. Don Lonnie inspired us all with a grand speech challenging us to adopt and live up to the highest Christian ideals.

In March the Scottish Band from Radford College sent us to the "Highlands" with their bagpipe music. March 27th was the anxiously awaited National Honor Society Assembly.

LIBRARY COUNCIL

The Library Council is made up of students who are willing to give up their free period, or time in the mornings, to help the baffled and the "hurrying" type of student to find exactly the right book. Each member of the council enjoys his work because he knows he is helping Miss Elizabeth Vincent and Mrs. Mildred Dabney, our librarians, to have more time for the other jobs besides the routine ones.

The jobs of the Library Council vary from checking permits to placing book covers on the bulletin boards. Some of the other jobs are checking books, collecting fines, filing cards, and finding and putting books back on the shelves.

These aides must have a thorough knowledge of the library in order to be of use in finding books and giving directions to those who need them. Throughout Glass' history there has always been a Library Council to aid the students and the librarians.

Q. Adams, R. Mosby, and C. Burton explain the information in the card catalogue.

DAVID GARRICK CLUB

The David Garrick Club, ably directed by Miss Virginia Wiley and Miss Jane Barringer, is composed of fifty members, selected from a group of apprentices. An apprentice is one who has worked on any phase of the play production: acting, stagecraft, business managing or committees. The executive committee composed of the officers and two members elected at large is responsible for selecting new members who have rendered faithful, hard work.

The fall play, *Jane Eyre,* involved a great amount of work, for distinct British accents were required. This didn't hinder the actors, however, for the play proved to be one of the best.

The one act contest play, *Box and Cox* was a very unusual and delightful comedy. The play was entered in competition among the schools of the Western District and received a "very high distinguished" rating. *Box and Cox* then received a superior rating in the state play festival. The judge remarked that the acting was professional and a remarkable performance was displayed.

GLASS PALETTE

The Glass Palette is a fairly new club consisting of pupils from the various art classes. It is under the guidance of Mrs. Robert S. Fuller, who has had wide artistic training that includes a visit recently to Europe and who is an artist of recognition, and so these young Rembrandts have had a walking art gallery as their sponsor.

The Palette meets monthly after school in Mrs. Fuller's room. The meetings have been greatly varied in their programs which have featured slides, speakers, and artistic games.

The future members are voted into the club by the present members on the basis of their interest and hard work in the field of art. There are now seventeen members.

The purpose of the Glass Palette is to give its members a knowledge and appreciation of art.

The murals at Lynchburg General Hospital were painted by the members of the Palette last year.

SCIENCE CLUB

The purpose of the Science Club is to encourage and foster an interest in science. The club is open to any Glass student who displays a scientific interest.

Often the member's first taste of science is very sour. He has to swallow biology, chemistry, and physics all in one afternoon. Any new member who has just been initiated can testify that it is a rather large dose.

After planning, building, and painting a model of an oxygen atom the club was forced to set their creation in the stockroom. The Senior Day Parade had been cancelled.

Activities this year were well planned, both by the sponsor, Mr. A. J. Fielder, and the program committee. Several students gave demonstrations on their science hobbies or interests. One very fine program was presented by a laboratory technician at Memorial Hospital. Field trips included the new filtration plant, the airport, Reusens, and Lynchburg Engraving Company. Excellent films such as "The Strange Case of the Cosmic Rays" rounded out the club's program for the year.

LATIN CLUB

The twenty-seven members of the Glass Latin Club have had an exciting and adventurous year delving into ancient Roman life and customs and seeing slides, visiting modern Greece and Italy.

At different monthly meetings the members had their fortunes told by a sibyl at the Oracle of Delphi; celebrated the Roman Christmas, the Saturnalia; and received a valentine, not in English, but in Latin. They also heard the story of how Valentine's Day began and received expert advice about love from Ovid.

Mr. James S. Constantine made his third visit to the Club, and took the "Romans" with him from Rome south to Pompeii by means of slides he had taken the summer before. Then Mrs. Janice Benario, a Latin teacher at Sweet Briar College, on her first visit, took the devotees of Latin north to the land and country dear to the poet Horace.

The last meeting of the Club was a dinner meeting when the present day Romans ate an Italian dinner together.

The French Club, under the sponsorship of Miss Wilkinson, meets the second Wednesday of each month. If one were to intrude on this group of "le francais" linguists, he might think he had just gotten off the "S. S. United States" arriving in France.

During Christmas meetings the members of the club busied themselves with a very worthy cause. Each member brought old clothes from home and added them to the growing pile brought by their colleagues. These clothes will certainly help brighten the coming year for needy French children.

The major accomplishment of the year was a play written in French by several members of the club. Their efforts were rewarded when a talented cast of rising new stars from the period two French class acted out the play.

SPANISH CLUB

The Spanish Club, composed of all the students who take second year Spanish, is one of the liveliest and most interesting clubs in the school. The club meets on a Thursday night, once a month, in the home of one of the members. The meetings are held from 7:15-8:15 and prompt arrival and departure are stressed by La Senora Knipp, the Spanish teacher. From the time the first member arrives at the meeting until the President adjourns the business meeting only Spanish is spoken. Afterwards the members revert to speaking English.

After the business meeting one never knows what might happen. Mrs. Knipp might tell about her trip to Spain, show pictures of this, or the group might have a Mexican "cena" or a pinata party at which a paper donkey filled with gifts for all is broken by a blindfolded boy or girl. Anyway whatever else a student does he can always be sure that he'll enjoy being a member of the Spanish Club.

F. B. L. A.

"Seek to develop business leadership, character, and community and school service." This is the goal which the members of the F. B. L. A. have endeavored to attain. Last summer several members attended the summer conference at Massanetta, where they planned the year's activities. These business leaders have completed many projects such as: preparation and distribution of notices for the homerooms during American Education Week, assistance in evening school registration, sale of books and supplies, and a field trip to the bank.

A contribution to the annual WLVA Christmas party and a club party were among their projects. Several members attended the State meeting in Roanoke in April. Many also attended the Regional meeting at Longwood College and participated in such contests as speech, scrapbook, bulletin board, exhibits, spelling, and Miss F. B. L. A.

This year, as has been true since its organization, the Lynchburg Chapter of F. B. L. A. was sponsored by Mrs. Burmahln, and has produced many successful business men and women.

F. H. A.

Glass's forty-eight Future Homemakers of America meet once a month with their advisers, Mrs. Feagans, Mrs. Mayberry, and Miss Sutherland, to plan various projects for the club.

In October the F. H. A. prepared refreshments for a faculty tea. During December the club and homemaking classes dressed 165 dolls for the Salvation Army, and made angel robes for the Christmas pageant. As a money making project, the girls sold Christmas cards and stationery.

During National F. H. A. Week (March 24th-28th) each club member entered into a family activity concerning careers in homemaking. Some of the members participated in the annual flower show sponsored by the Lynchburg Council of Garden Clubs.

In the spring the club baked cookies for veterans in the veterans' hospital in Roanoke, Va. The Industrial Arts Club Conference was entertained by a fashion show given by F. H. A. members. Exhibits revealing the efforts of the club were presented on the P. T. A. Achievement Night.

JUNIOR RED CROSS

R. Chambers, L. Watts, A. Graham.

The E. C. Glass Junior Red Cross strives to help high school students become active members in their home, school, and community. The program is directed by a school Junior Red Cross chairman. The organization offers its services to the local chapter of the American Red Cross. Although the work is mostly voluntary, the Red Cross Chapter in our school is always willing to help in time of distress, emergency or disaster.

Membership in the Junior Red Cross Council includes one representative selected from each homeroom. This council is under the sponsorship of Mrs. Cecilia Doyle and Mrs. Mary Ellen James, who are appointed by the principal.

The organization opened its year with the fall membership drive which is an annual activity. This year, donations amounted to $76.70 in addition to contributions received through the United Fund. The money collected makes up the chapter service fund.

The students at Glass feel that the Junior Red Cross is as important as any other organization in our school in developing a desire to help others.

D. E. CLUB

Fifty-five persons, from the two class sections, make up the membership of this year's Distributive Education Club, under the sponsorship of Miss Anice Howell, Co-Ordinator.

This year, a sales campaign was conducted to raise money for the club activities, with each class section composing a competing team. A banquet was held at Loch Haven Lodge December 11. The club participated in the annual WLVA Christmas Party by contributing $15.00 and furnishing twelve collectors with cars. Nancy Turnley represented the Club in two public presentations—American Education Week Assembly and PTA Guidance Night.

At the district D. E. contest meeting held at the Appomattox High School on February 26, Glass won many top awards.

At the State Convention held in Richmond March 9-11, the Club won Superior rating for its total performance. Gene Gallagher won third place in Job Interview, Sandra West won second place in Areas of Distribution Manual, and Nancy Turnley was awarded the trophy for D. E. Student of the Year of District V.

STUDENT CAFETERIA HELPERS

L. Cumbie and D. Greene "ring up" the money for lunch.

Always cheerful and ready to lend a helping hand—these are the Student Cafeteria Helpers. We are really indebted to this fine team who have done a wonderful job in making the cafeterias pleasant places. While we are enjoying our lunches, there is much work done which we don't even know about.

Have you ever wondered who cleans the dishes and puts them on the conveyor belt, who puts them in racks and sends them through a dishwasher, and who takes the dishes out of the racks and places them in their proper places? This is the work of the Dish Handlers of whom Mr. Ramsey is in charge. Another group of the Student Cafeteria Helpers include the bank runners, change distributors, cashiers, and statisticians under the supervision of Mr. Burmahln.

Responsibility for the conduct of students and the cleanliness of the cafeteria is under three general supervisors, Miss Howell, Mr. Fielder, and Mr. Racer, with Mrs. Ruth Shore, Cafeteria director, in charge of the entire operation.

Y-TEENS

The Y-Teen Department of the Y. W. C. A., under the direction of Mrs. Jeanette Scott, has participated in various projects and activities during the year.

The Y-Teens began their year with the installation of the new officers in November. As its first activity, the club decorated a car for the Senior Day Parade. Next, came the Christmas dance for the Y-Teen members. One of the most outstanding activities was a money-making project, a potato chip sale. The Y-Teens have also carried out many successful social events such as swimming, horseback riding, and bake sales.

In the spring the members held a Spring Dance. Other spring activities included hikes and picnics. A senior tea was given for the senior members of the club. There was also a Mother-Daughter Banquet and pin ceremony.

The greatest activity in which the Y-Teens engaged was the planning of a trip to Canada which will be taken in the summer. Also, during the summer months, many of the senior members become counselors at Camp Ruthers.

GLASSITES TRI-HI-Y

"To create, maintain, and extend throughout the home, school, and community high standards of Christian character" is its purpose, and "clean speech, clean sportsmanship, clean scholarship, and clean living" the platform to which Glass's sixty Tri-Hi-Y members subscribe.

This year the club has helped decorate for the SCA hops, has been active in the city Blue Crutch Drive, has entertained the staff at the Guggenheimer Hospital for Christmas, and has attended as a body once a month a different church.

To raise money for the purpose of carrying on their work, this group served suppers for other groups and sold *Rhyming Spree's*. They held their own annual Rice Supper in January to raise money for World Service.

In April, delegates were sent to the Model General Assembly in Richmond, where this year they set a record for the number of bills passed; and each summer the club is represented at Blue Ridge, North Carolina, where the club leaders are trained.

HI-Y

It is the desire of every Hi-Y member to set examples of Christian actions in the high school. The purpose of Hi-Y is "To create, maintain, and extend throughout the home, school, and community high standards of Christian character." Any boy who is in his sophomore, junior, or senior year in high school is eligible for membership.

In the fall of the year the Hi-Y split into two separate groups due to the marked increase in membership.

With service to others as their theme, the two clubs co-operated fully in many community projects such as assisting the Salvation Army during Christmas time, having a Christmas party for less fortunate children, and sponsoring Easter services at the school. Other highlights of the year were a trip to New York and an address by Governor Almond.

The club also received an ACE rating which is the highest honor that can come to a Hi-Y club.

The year could never have been so successful without the able assistance of Mr. V. Howard Ford and Mr. C. I. Van Cleve who acted as advisers.

GIRLS' CHORUS

"Learning to sing" is the purpose of the girls' chorus which is composed of Mrs. Wood's first period class. Mrs. Margaret Wood is new to us at Glass, but she has done a splendid job of taking over the chorus which was under the direction of Mrs. Joyce Bailey the first semester. Although the members of the chorus have not performed this year, the time and effort they have spent on their music is clearly noticeable. Most of the girls in the chorus are ninth graders; and, by the experience gained there, they are prepared to go on to the Glee Club and Choir. This year of choral foundation is very important and helps the girls to appreciate and understand music to its greatest extent.

With a great amount of fun and pleasure, the chorus has found that singing is an enjoyable way to spend one's time.

A pleasing sextet, made up of members of the chorus, participated in the annual Talent Show. Although the chorus receives little recognition, their compensation is the rich enjoyment they get from music.

CHOIR

If you "just love to sing" our Choir offers you a glorious opportunity! The Choir of E. C. Glass has lived up to its purpose by showing the students the beauty and value of music in their lives.

The Choir is under the direction of Mrs. Jean Pemberton. Through her encouragement and inspiration, its membership has risen to new heights.

The Choir has participated in many activities during the year. In October they entertained the P. T. A. for the Back-To-School Night Program. They led the student body in an Assembly Sing in November. The Choir, after much practicing and hard work, rendered a most inspirational program of Christmas music in December. For the Brotherhood Week Assembly the Choir presented suitable selections. On March 25 the group again sang for the P.T.A. on Guidance Night.

The highlight of their year was the Spring Concert on April 25. The central theme of this concert was "Around the World Music."

Those selected for All-State Choir, which was held in Martinsville, were: first soprano, Nancy Royer; first alto, Penny Ford; second alto, Sandra Rubenstein; first tenor, Aubrey Hayes; first tenor, Gary Pace; and second bass, Oscar Aylor.

GLEE CLUB

One of the most enthusiastic and delightful organizations in our school is the Glee Club. Under the direction of Mrs. Jean Pemberton, this group has given the students a knowledge and an enjoyment of good music.

Throughout the year the Glee Club has performed on various occasions for the school and its guests.

During the week of Thanksgiving they presented beautiful selections in keeping with the spirit of thankfulness and our American heritage. The Glee Club also participated with the Choir in the Assembly Sing in November when the girls led the students in the singing of old classics and popular arrangements.

At the annual Christmas Pageant this group added much to the sacredness of the Christmas season. Along with the Choir and Girls' Chorus, the Glee Club showed us the true meaning of Christmas. On April 25 after much hard work, they showed the results of a good year's work in their performance in the spring concert.

The community, parents, students, and all music lovers have certainly benefited and found enjoyment from this harmonious group.

SENIOR BAND

The E. C. Glass Senior Band, directed by Mr. Cloyd Vermilion, leads the Department of Instrumental Music. The Concert band is composed of 72 members who are selected according to their ability from a larger competitive group.

Band practices began during the summer months in order to make the band ready to begin its regular season with skill and precision.

During the football season the band was a familiar highlight at parades, pep rallies, and football games helping to cheer the team. It attended a twenty-seven band festival in Roanoke, Virginia, which consisted of a parade and participation in the V.M.I.-V.P.I. freshman football game. Some of the band members competed and won honors in the All-State Band and Workshop. When concert season arrived, the band went to Danville to compete in a competitive festival of concert music. Assembly programs have been greatly aided by the high spirited music our band produces from the orchestra pit. In the spring the marching band participated in the Pulpwood and Dogwood festival in Vinton, Virginia.

C. Meredith, K. Duck, R. Riddick, and R. Lindsay make plans for the band.

FRESHMAN AND JUNIOR BAND

Following in the footsteps of the Senior Band are the Junior and Freshman Bands. These two enthusiastic groups, made up of musically-talented students from the eighth and ninth grades, have worked hard this year in their training for participation in the Senior Band. Making up three fourths of the total school Band, they have, because of their faithful practicing and expert training in playing and marching, added much to the Senior Band.

This spring they participated in the District Six Music Festival, which was a contest held March 15th at Cave Springs in Roanoke. In April they played in the All-School Music Festival. Among their activities in May were the Dogwood and Pulpwood Festivals in Vinton, Virginia. They also participated in the Achievement Night program here in the Glass Auditorium.

The 1957-58 Junior and Freshman Bands, under the direction of Mr. Vermilion, have done a grand job and the students can well expect great things from them in the future.

JUNIOR AND SENIOR ORCHESTRA

No school would be complete without the music of an orchestra. E. C. Glass is fortunate in that it has two orchestras, the Junior Orchestra and the Senior Orchestra. The orchestras began the year under the direction of Mr. Robert Nabors and Mr. Solon Pitts, and now are directed by Mr. Cloyd Vermilion. The Senior Orchestra is composed of twenty-five members and the Junior Orchestra has seventeen members. Both orchestras combined with additional members from the Concert Band compose the Concert Orchestra.

This Concert Orchestra is responsible for the music in many of our school activities. This year it played for the David Garrick Club play, *Jane Eyre,* the Senior Play, *January Thaw,* the Spring Concert, and for the commencement exercises on June 9th.

In December two of the orchestra members were chosen to attend the all-state orchestra festival in Richmond, Virginia. On March 15th both orchestras took part in the Western District Music Festival which was held at Cave Springs in Roanoke County. In the festival they received a first division or superior rating.

VARSITY FOOTBALL

Is this 1955?

A look at the win-loss column of the 1957 E. C. Glass High School football schedule might deduct two years from the minds of some Hilltopper football followers. In 1955 our team had a record of 8-2. This fall, 1957, the Blue and White finished 8-2. Both losses of 1955 were home games. Again this year Lynchburg fans saw two defeats. In 1955 it was Jefferson of Roanoke and Andrew Lewis of Salem dealing the hard felt blows. In 1957 it was—you guessed it!

The excellent coaching staff of V. Bradford, J. Bryan, and G. Robinson molded the considerable talent from last year's squad into one co-operative unit. Led by co-captains Phil Booker and Robin Wood, the Glass eleven met every aggressor with eagerness and a desire to win.

The Hilltoppers started their season right with a 22-0 triumph over Halifax. This game saw second string Dickie Vaughan and John Cralle lead the attack.

William Fleming of Roanoke offered more opposition the next week, but Billy Futrell spearheaded the Glass attack and brought home a 14-6 victory.

Next came the 1956 State champions from Arlington. The determined Glass sent them home with a 19-6 loss.

A trip to the coast the following week proved to be a successful one. The Blue and White overpowered the highly rated Typhoons of Newport News with H. C. Thaxton, Glass' power driving fullback, leading the attack.

Coach Bradford cleared the bench in Danville, winning easily by a score of 33-7 and running his winning streak to five.

The big game of the year, with Jefferson Senior of Roanoke, was marked by a heavy scoring contest. Glass High valiantly fought back the Magician invaders, but had to yield to them 32-20.

A large crowd present for the annual Shrine game witnessed the 21-7 defeat of the Cougars of Covington. Bradford's reserves saw much action as Glass climbed back to the winning column.

On November 2 the Bradfordmen played a muddy afternoon game in Alexandria and increased their record to 7-1 with a 14-6 win.

Senior Day at E. C. Glass was full of surprises. But Senior Night had just one more. A determined team from Salem came, struck, and left with a 14-13 win over the big Blue and White.

The Hilltoppers wound up their season with an easy 41-0 victory over Fishburne Military Academy.

No season is complete until awards are made, and the E. C. Glass eleven received their share.

At the team's annual banquet H. C. Thaxton was named the best back, Phil Booker the best lineman, Dennis Dills the best blocker, and J. W. Price, the most valuable player.

Nine Bradfordmen found positions on the Western District teams. Billy Futrell, Phil Booker, and J. W. Price placed on the first team. H. C. Thaxton and Tim Hapgood were named on the second string. Honorable mentions went to Dickie Vaughan, Kenneth Thompson, David Staples, and Rex Dunnavant.

On the All Group team for Virginia, picked by the Sports Writers and Casters, Phil Booker received a first string award and J. W. Price, Billy Futrell, and Tim Hapgood received honorable mentions.

JUNIOR VARSITY FOOTBALL

The 1957 E. C. Glass Junior Varsity football team, led by coaches Noechel and Durrant and Co-Captains Irby Hudson and Nick Jesson, became the first J. V. football team in the history of the school to go undefeated and untied. The boys were interested in playing as a team and when the regulars faltered, the substitutes filled the gaps, doing excellent jobs. The team was hit by flu and injuries during the season. Tommy Linn looked very impressive before his injury in the Wm. Fleming game. Wayne Blondino, Jimmy Cerillo and James Moore showed great improvement as the season progressed. The team compiled a tremendous defensive record as they scored 188 points to their opponents' 76.

The season opened with a successful victory over Natural Bridge by the score of 20-14. Next on the victory list was the Danville J. V. team which suffered a 12-7 defeat by the home team. After the narrow win over Danville, the J. V.'s crushed Amherst 32-0. The Baby Hilltoppers then won over Brookville 18-6. After a hard fought battle with Wm. Fleming, Glass emerged the victor by a 7-0 count. The Hilltoppers topped Hargrave Military Academy 25-7. Next came Salem which fell victim to the Baby Hilltoppers by a 58-35 score. The final game came with Roanoke which had been postponed from October 25 to November 12. After a hard fought game Glass emerged the winner by a 21-7 count. This was the third straight year that Glass has showed their mastery over Roanoke.

FRESHMAN FOOTBALL

Even though they didn't have a very successful season as far as the won-lost column goes the Freshman team accomplished their real purpose, which is to mold future football stars. During the season they were hampered by many injuries but still compiled a record of three wins and five losses.

The Baby Hilltoppers started the season with a loss to Hargrave Military Academy, by the score of 13-0. The first game lost was quickly avenged with a 13-0 victory over Nelson County. In the third game the Frosh lost a hard battle to the Brookville "B" team 6-0. Then they bounced back from defeat to score a big victory over V. E. S. by the score of 27-0.

The next week the Freshman traveled to Appomattox to score another victory of 13-0. They remained on the road for their next game and lost a hard fought battle to Wm. Fleming 6-0.

The Freshman returned home for their last two games. The first of these two games was against Roanoke Freshman and the Baby Hilltoppers were defeated 27-0. The last game of the season was against H. M. A. The Frosh battled to revenge their defeat in the first game but dropped a close decision of 18-6.

This year the team chose Bill Wilkins as the best lineman and Sam Wilmouth as the best back.

Coach Bryan explains a new play to Captain Wylie Cooke.

VARSITY BASKETBALL

As the 1957-58 basketball season opened, Coach Jimmie Bryan was his usual pessimistic self; for there were no returning lettermen, the team was comparatively short in height, and four starters to accompany Captain Wylie Cooke were yet to be determined. Wayne Proffitt, Bill Chambers, Mac Dirom, Roger Fauber, and Cooke soon proved to be a hard-working, well-knit fivesome; and they were well backed by Bucky Cawthorne, Wayne Day, Don Atkins, and Kenneth Thompson. Somehow, these green struggling boys ended the season with an overall 19-6 record, won the Western District Championship and finished fourth in the State Tournament.

That "somehow," though, is misleading; for it is a well-known fact that Coach Bryan has never failed to produce a winning team, and that it is only through his hard work and remarkable leadership that his squads have met with their phenomenal success. It is also known that the boys' love and respect for Mr. Bryan has frequently caused them to "want to win that game, for Coach."

After the first four games, Glass had an unimpressive 2-2 record. These two defeats by Martinsville and Thomas Jefferson of Richmond were avenged later in the season. The Tee Jay game was a thriller as Bucky Cawthorne's desperate last second field goal gave Glass a 49-47 win. After Jefferson of Roanoke avenged an earlier Glass victory, the Hilltoppers found them-

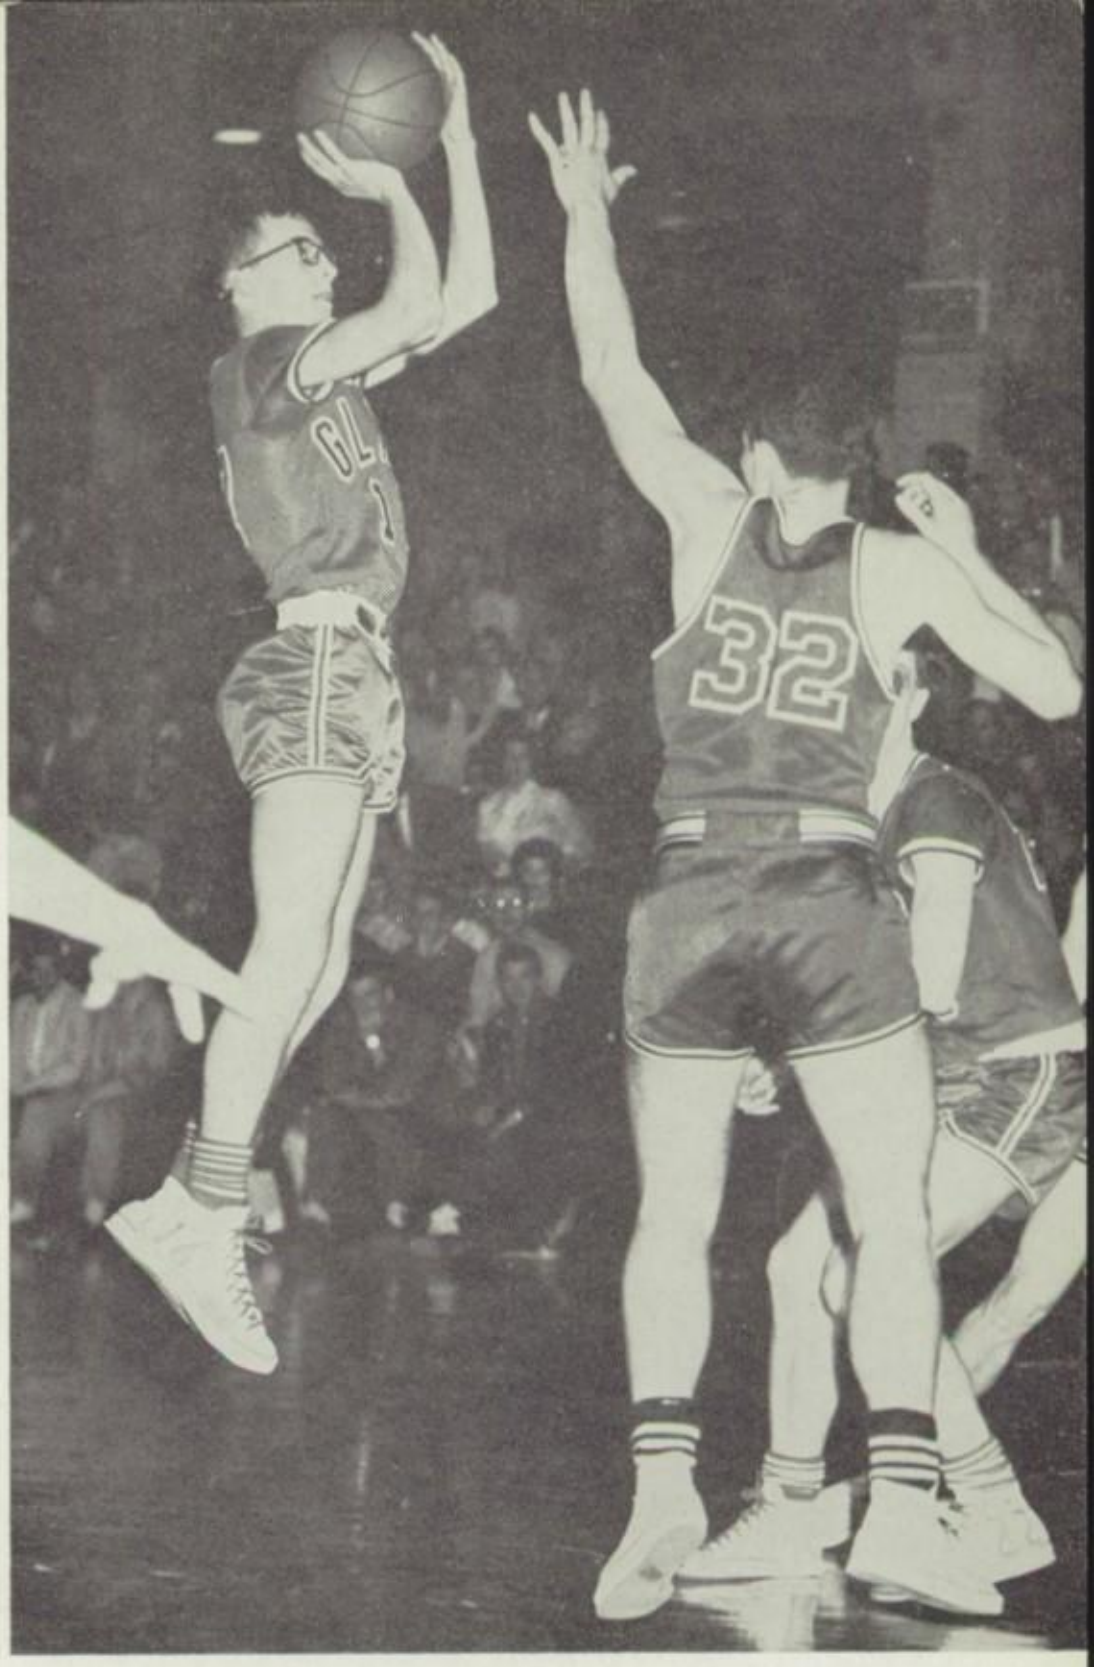
selves in a tie with Jefferson for the Western District Championship. The play-off at Lexington saw 1600 Glass fans lose all hope of victory as the Junior high-scoring marvel, Wayne Proffitt, left the game with a back injury. The Bryanmen, in true Glass spirit pulled together even more a team, and sparked by Wylie Cooke and Bill Chambers, the Hilltoppers produced a thrilling 42-39 district championship victory.

The top four district teams met in the Glass Gymnasium the following weekend for the Western District Tournament. The Hilltoppers won their first game from Danville, 61-44; but they were downed by Jefferson in the finals by a 65-49 score.

At the State Tournament in Charlottesville, Proffitt poured in 30 points to lead Glass to a 53-48 win over Virginia High of Bristol. Then the powerful Newport News Typhoons proved too much for the Hilltoppers who, after a fairly close battle, surrendered 64-53. Again Proffitt dumped in 30 points. In a consolation game, Wakefield whipped Glass 73-54. Little Wayne Proffitt was the tournament high scorer and made the All-Tournament team.

Proffitt was a unanimous choice for the Western District team and easily made All-State.

At the final Basketball Banquet, Captain Cooke was awarded a trophy by his teammates who chose him the most valuable player; and he received a plaque for the best sportsmanship. Bill Chambers won the trophy for the best defensive player. Proffitt received the foul shooting trophy and the most outstanding player award.



Two for Chambers.

JUNIOR VARSITY BASKETBALL

This year's J. V. Basketball team had a very successful season through the coaching of Mr. Noechel and the cooperation of the boys. The team, composed of just 9th and 10th graders, compiled a winning record of 11 wins and three losses. They finished first in the Western District with only one loss in district play which was to the Jefferson Senior J. V.'s by the score of 37-40. This loss was quickly avenged with a 33-27 victory on the home court.

The team scoring this year was led by David Carter, the captain, who averaged 15 points per game. The Baby Hilltoppers averaged 37 points per game to their opponents' 28 points per game, which attributed to their winning record. The boys who won their J. V. letter this year were: David Carter, Jim Cheves, Phil Reid, Pat Layne, Tom Whitten, Wayne Salmon, Buck Wilkins, Wayne Blondino, Don Giles, Henry Sackett, Harvey Hackett, Pete Morris, and Wallace Hawkins.

FRESHMAN BASKETBALL

With a 13-2 record, the Glass Freshman Basketball team ended the season with the best record ever compiled by a Freshman squad at the new high school. Despite the fact that there were no returning lettermen from last year's squad, Mr. Bailey, a coach possessing qualities of leadership and determination, was able to produce eighteen co-operative players. The Frosh was a well-balanced squad—shining in teamwork and lagging in individualism.

The only games lost, to Virginia Episcopal School and Brookville, were avenged later in the season. The Baileymen experienced several very close games and even used an overtime to defeat Hargrave once.

The usual starters for the year were Sam Duff, Mike Crabill, Don Grimes, Martin Morris, and Don Ragland. The highest scorers for the season were Duff, with 142 points, Crabill, with 134 and Grimes, with 109.

TRACK

With approximately 130 boys turning out for track this spring, Coach Bradford hopes to find ample talent for a victorious track squad. There are, however, only five returning lettermen from last year's team: H. C. Thaxton, Billy Futrell, Johnny Quarles, Richard Pugh, and Leland Bailey. The captain of this year's squad is H. C. Thaxton. All the meets will be at home, except the State meet. There are no real standouts on the squad, nor does the team appear exceptionally strong in any particular event. But with hard work and Glass High spirit, our track squad will uphold the school's standing.

TENNIS

This year's tennis team has a new coach, Mr. Bailey, who joined the Glass faculty at the beginning of the school year. Back from last year's squad are Tim Hapgood, Tom Crafton, Billy Witt, Ed Berry, and Roger Fauber. Along with these five and the other twenty-five boys out for tennis, Coach Bailey plans to have a very good team and a successful season. Tim Hapgood, who was No. 1 man last year, is expected to be the team's mainstay this year. Two prospective players are freshmen Mike Crabill and Clunett Pettyjohn.

Mr. Bailey says the team to beat this year is G. W. of Danville with whom Glass split one and one last year. The only changes in the schedule this year are that the team plays two games with Fork Union instead of one, and the match with Hargrave has been dropped.

BASEBALL

This season Glass will play every eligible Western District team, plus Brookville and Virginia Episcopal School. Returning from last year's team will be Johnny Cralle, Herbert Duff, Robin Wood, Edmond Overstreet, and Asa Moyer. Buddy Reid will also see action this year. The team is not as experienced as last year's, but they feel they will have a good record. The competition will be tougher this year because of the Group I games. Since baseball's reorganization three years ago, the team has lost only three games.

Under the direction of Coach Noechel and Coach Jerry Robinson, the Hilltoppers hope to keep up the fine record with a successful season.

VARSITY "G" CLUB

The month of November, 1957, satisfied the wishes of many athletic-minded boys at E. C. Glass. This month marked the re-organization of the Varsity "G" Club. The club had been out of existence ever since 1949. During the past two years, however, the boys have worked very hard to get their club back into activity. With the help and guidance of Mr. Bradford, they were rewarded this November.

The main purpose of having this organization is to create respect for the varsity letter. The club builds the boys' morals and gives them better attitudes towards sportsmanship.

When a boy wishes to enter the club he must have earned a varsity letter and must file an application. He is then voted on by the members.

The main project for this year's members has been the fixing and furnishing of the club room. Two hops were sponsored by the club. Another project was to put pictures of all the 1957-58 varsity teams into one frame and place it in the gym corridor. Each member receives a blue and white jacket, which he must pay for himself.

GIRLS' ATHLETIC ASSOCIATION

Tennis anyone? You're not the tennis type? Well, how about a game of hockey, speedball, soccer, basketball, volleyball, softball, or badminton?

All of these sports are available to Glass girls in the form of after-school games sponsored by the Girls' Athletic Association. Through G.A.A. girls gain skill in playing by participation, and skill in officiating by attending special classes. Teams are formed according to gym classes. At the end of each season teams having the best records participate in a tournament.

One of the main phases of the G.A.A. program is the awarding of "letters" or pins to girls acquiring thirty-five or more points. Points are gained when a girl participates in, officiates, or scores a game, when she is a G.A.A. representative, and when she is on the championship or runner-up teams in a tournament.

The successful activities of the association were concluded with the Parent-Student Activity Night.

VARSITY CHEERLEADERS

The Varsity Cheerleaders are chosen on the basis of citizenship and character, in addition to pep and form, so their high standards are a part of their honor. There is something "extra" about this year's squad, too, for they have done far more than the usual cheering at games.

Tirelessly led and encouraged by Head Cheerleader, Anne Farrar, the girls helped decorate the goalposts for the football games, sold "pom-poms," collected for the March of Dimes, and participated in assemblies. They joined with the J. V. Cheerleaders on occasions to bring out the combined spirit and sportsmanship of the students at pep rallies and games.

The girls attended most of the out-of-town games via the "old yellow bus." When these team-backers couldn't go, they were always on hand to cheer the team off (once even before dawn) and then met them with "VICTORY" (usually!) when they arrived home.

A new and admirable plan was started this year by Head Cheerleader Anne when, at each game, she asked a different squad member to share her position as her co-head-cheerleader.

Only with the guiding influence of their sponsor, Mrs. Meidling, could the season have been so successful for she gave so much of her time to helping the girls and planning their activities.

JUNIOR VARSITY CHEERLEADERS

Visitors to our J. V. basketball and football games this year never failed to comment on the fine school spirit exhibited during the games and on the way everyone yelled. This participation just didn't happen by chance—it was built by long and patient work by our J. V. cheerleaders. They kindled our fighting spirit in the "pep rallies," and during the games they urged the players on with so much enthusiasm that everyone watching felt compelled to cheer just as hard.

Perhaps one of the reasons for this exceptional squad was the leadership of their red-haired, dynamic head-cheerleader, Susan Nelligan and their sponsor, Miss Anne Henderson.

Glass's cheerleaders are picked carefully by members of the faculty. There are many candidates every year, and each year the decisions are harder to make. The lucky girls are chosen on the basis of pep, moral attitudes, neatness, ability to execute a "jump" and to perform the difficult maneuvers found in some twenty-five cheers used by the Glass squad.

MAJORETTES

"Beating the cadence" for the 1957-58 season, the Glass majorettes began early summer practice. At the first game in September they were ready to boost the football players to victory as they appeared on the track with a new routine, Rackettes. The twirl team continued their baton practices three days a week after school and on many mornings before school with the band.

Twirling and strutting, these hi-steppers followed the football team to two out-of-town games, Roanoke and Danville. They performed in two parades, one for the VMI-Citadel game, and the other at the band festival in Roanoke for the annual Shrine game in which twenty-four other bands participated.

In addition to the five majorettes from last year's squad, four new members were added. Two alternates were chosen also, and again the perky little nine year old mascot, Betty Gay, joined the group. The girls chose a baton-twirler from "way back," Becky Reasor, to be their head majorette.

In the spring the baton gals held classes and try-outs for girls who wanted to become majorettes the following year.

SPEED-AWAY
"Jaguars"

At the beginning of the school year the Sophomore gym classes were introduced to a new sport, Speed-Away. It was readily accepted by the fun-loving girls, and soon teams assembled in the afternoons and engaged in game after game of the wholesome recreation.

Winning a game was hard work indeed, but two teams, "Kyle's Crew" and the "Jaguars" became outstanding. Since each team had more than the required number of members, they never found it necessary to default. Although some games were tied, there was only one loss for each of them. The Championship game was played by these two teams, and the "Jaguars" emerged as the proud victors.

SOCCER
"Bobcats"

The wild and rowdy ole English sport, soccer, this year provided an afternoon of vigorous exercise for the eighth grade girls.

Through the months of October and November the teams gathered regularly on the field and played earnestly. Finally the "Bobcats," led by captain Catherine Childress, found themselves matched with Cissa Basten's team, the "Blue Eagles."

To capture the championship, one of the two teams had to win two out of three games. The "Bobcats" proved themselves the better team and captured the much desired title of "Champion."

Back Row: L. Plunkett, S. F. Ryan, R. Bennett, W. Jester, K. Thornhill, B. Carr, D. Gibson, C. Arendall, N. Tomlin.
Front Row: S. F. Shepherd, M. E. Tuggle, S. Smith, B. Tyner, S. Bridges, C. Johnson, L. McDaniel.

SPEEDBALL
"Blue Dahlias"

The Freshman speedball teams showed hearty enthusiasm for their fall sport and combined their fun with skill as they manipulated the ball up and down the field. Cheers and screams of disappointment echoed through the air whenever the ball was sent into the goal or lost to the other team.

At last two teams, the "Blue Dahlias" and the "Cannon Balls," were pitted against each other for the final game of the season; the game which would determine the speedball champions. As the game came to a close, another blue ribbon team had been brought to light—the "Blue Dahlias."

HOCKEY
"Shindiggers"

Many Senior girls look back with happy memories at those fall months of the Hockey season. Those were the days when gym classes meant a rough and rousing game of hockey.

Preparing for a game, each girl would choose a stick of proper length, buckle on her shin guards, and gallop off to the field to join the line-up. The opposing center forwards began the game with a bully which set the ball in motion, the sticks swinging, and the officials calling fouls.

The hockey teams spent many afternoons playing off the challenging tournament. As the season drew to a close, the "Shindiggers" were hailed as the Champions.

Back Row: S. Gardner, B. Tallman, V. Allen, V. Allen, A. Rorabaugh, B. Bond.
Front Row: D. Candler, A. Farrar, J. Wilburn, A. Hershberger, P. Ford, S. Shepherd.

BASKETBALL
"Hudson's Globetrotters"

As the New Year began so also began the basketball season, and the 8th and 9th grade girls' gym classes eagerly organized teams to take part in the coming Basketball Tournament.

One of the teams competing in the tournament was a 9th grade team, the "Hudson's Globetrotters." Under their determined captain, Linda Hudson, the team earned a record of six wins and two losses. However, another team, the "Gold Diggers," more than matched their record with seven wins and one tie. But as the tournament play-offs moved these teams to the top and matched them against each other, the "Globetrotters" were able to capture first place.

Back Row: M. A. Crown, J. Tweedy, B. Hamner, L. Webb.
Front Row: B. Myers, L. Hudson, G. Gilliam.

Clockwise from bottom: N. Royer, D. Mohr, B. Patteson, N. Creed, B. Marsh, L. Peters, J. Kessee, L. Brooks, M. E. Burch, S. Rubenstein.

BASKETBALL
"Saints"

As another season of girls' basketball came to a close, the "Saints" came marching out as champions. Spurred on by their captain and high-scorer for the season, Lois Peters, they exhibited excellent teamwork and sportsmanship as they fought to the top.

Although they played against skilled teams, the "Saints" achieved an unusual record, eleven games won and one tied (not a single loss!).

The girls proved the old saying "practice makes perfect" to be true. They practiced much, and their playing always showed it. The girls had the knack of making baskets from any spot on the court.

Features

Senior Day

Exciting, gay, ridiculous, and just terrific—that's Senior Day! It's the one day of the year that the Seniors "take over" (or try to) and rule their subjects, the underclassmen. The teachers also "give in" to the day as senior privileges are taken in senior classes. The Senior homeroom decorations, the private assembly, the parade down Main Street after school, the football game that night, and just being able to do almost anything you wish—all make Senior day one of the happily remembered highlights of high school.

symbol of progress...

As graduation nears, let's take a serious look at the past. We see that education has been largely responsible for the progress of our nation.

Why? Education is PROGRESS.

Today — more than ever before — industry, business and labor, all, know the true values of a good educational system. EDUCATION continues to stand as a true symbol of PROGRESS.

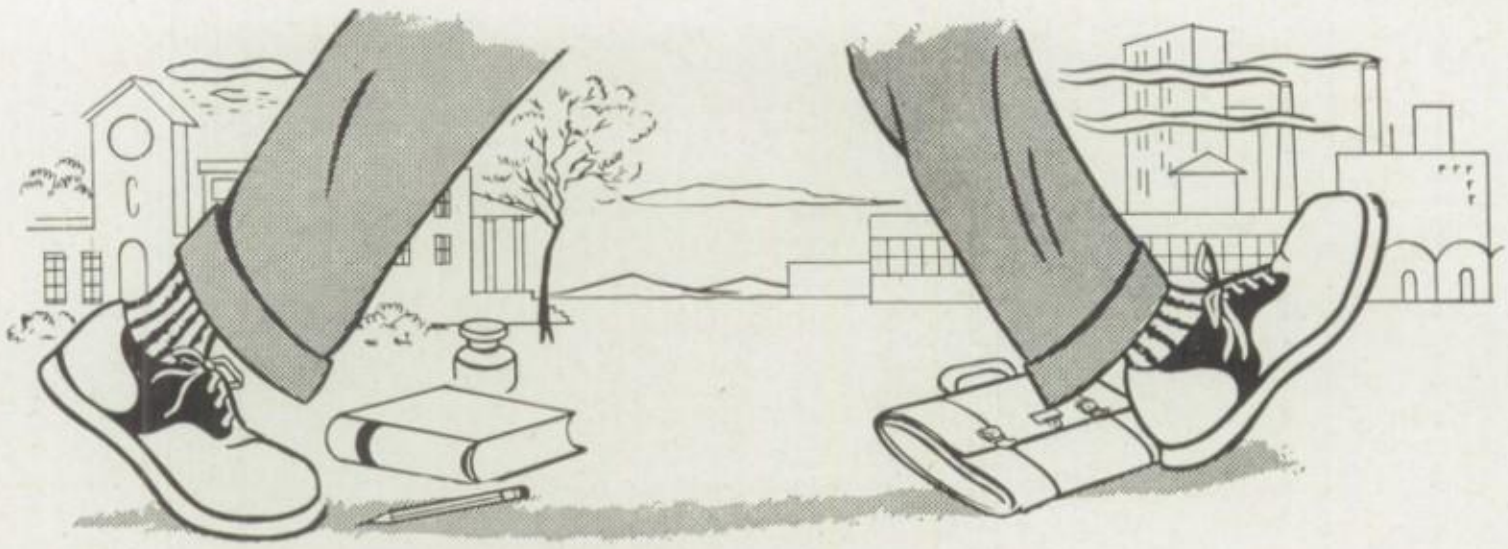
LYNCHBURG

FOUNDRY

COMPANY



an all-important step . . .

No matter what you are going to do . . . whether you plan to go to college . . . or to take up a good trade . . . one of your most important steps in approaching adulthood is the establishment of a sound banking connection.

If you have not opened a bank account, we would be pleased to have you do so here at Peoples National . . . where you will find every modern banking facility at your convenient disposal. And, equally important, you will find here an able and understanding staff of officers and employees who are always ready to assist you with your financial problems . . . whatever they may be.

Take time to remember Glass-
it has been your home for
five wonderful years. May
your graduation be the com-
mencement of a lifetime of
success and happiness.

Sweetheart,

Well, June is here
and it looks like
Gloria McFadden
won't graduate – but
Gloria Armstrong sure
will!

Love always,
Charles

Much love
Best of everything tomorrow
& a Romantic honeymoon
to all the good things of
life. We had best to you
and we know Charlie will
enjoy them with you
and future.
Fondly
Mary

Loads of luck to a
very sweet girl. Hope
you and Charlie are
very happy together.
Charles Powers Esq. III
